## Get the edge

**CHUCK OUT...** that bulky tub of chemical exfoliating scrub.

**SWAP FOR...** **Le Edge**. Just stroke the streamline blunt scraper over yourself as you shower (men can also use it on the face for a smoother shave). Dead skin, ingrown hairs and fake tan streaks won't know what's hit 'em! Guaranteed not to leak in your luggage either.

# Spring clean your routine...

Fed up with the same tired, old products cluttering your washbag? Give it a spring detox with these clever space-saving, multi-tasking products! By Annabelle Hood

## Pucker up

**CHUCK OUT...** your gunky tins of Vaseline, sun block balm and gloopy lip gloss.

**SWAP FOR...** a hygienic, squeezable tube of **Ole Henriksen Fresh Lips SPF15**. This handy 4-in-1 lip-saver protects, soothes, hydrates and plumps lips, making it a multi-tasking must-have!

## Eye eye!

**CHUCK OUT...** your multitude of day and night eye lotions and potions, which always seem to get lost at the bottom of your bag.

**SWAP FOR...** **Boots No7 Time Resisting Day & Night Eye Care**. The nifty dual chamber packaging (2x15ml) has eye gel to perk up tired peepers and tighten flagging skin by day on one side, and a richer, hydrating eye cream for night time on the other. The best bit is this product also treats pigmentation and wrinkles in just four weeks. So much good stuff. What's not to love?

## Bathroom buddy

**CHUCK OUT...** that decaying, musty tardis of a spongebag altogether (the fossilised bottom of which probably hasn't seen the light of day in years).

**SWAP FOR...** **Uchi Handbag Bath Bag**. Hurray for the end of bag-rummaging! This glam bathroom bag opens up to lay flat, with clear zip-up compartments for all your knick-knacks and a large external zipped pocket for jewellery or similar. What's even better, finding your tweezers at first glance leaves you all the more time for a lie-in. Clever, eh?
