## SPA OFFER OF THE MONTH

Get away from it all in gorgeous, pampering luxury at the Dorchester's sumptuous country cousin, Coworth Park in Berkshire

Imagine Park Lane's Dorchester, with its luxury, grandeur and fabulous service, but set in a 240-acre rural estate with sunken gardens, cedar woods and rolling green hills, and you'll get Coworth Park, Dorchester Collection's new 70-room country-house hotel. With three restaurants overseen by a Michelin-starred chef, and a gorgeous airy eco spa, all just 45 minutes drive from London, we can't think of a better place for a calming weekend.

**INSIDE TRACK** Blended into the hillside and surrounding woods, the two-storey cedar and limestone spa features stunning treatment rooms, including two couple suites and its own sun terrace and indoor swimming pool. Plus, it uses the same

beauty brands as the Dorchester's spa, as well as featuring the hotel's Spatisserie, which serves a delicious post-treatment tea. **WHAT TO BOOK** The spa has brought in the 100 per cent organic massage-heavy Dr Alkaitis Skin Food Facial exclusively from Miami, where it already has an A-list following. We love it for the way it plumps, brightens and heals stressed-out skin.

### THE DEAL

- One night's B&B accommodation.
